## BOARD LIST

Please indicate the best month for AGB to request an updated board list: \_\_\_\_\_

AGB's members are primarily the governing boards of tax-exempt, nonprofit, degree-granting independent and public colleges and universities, public university foundations, professional schools, and seminaries and theological schools in the United States and its territories. To be eligible, institutions must be accredited (or be candidates for accreditation) by a regional or specialized agency recognized by the Council for Higher Education Accreditation and have an IRS status of 501(c)3.

With foundation membership all voting foundation board members and six staff members receive member benefits. The six recommended staff members are:

Executive Director  
Board Professional Staff, i.e. a staff liaison to the board  
Chief Administration Officer  
Chief Development Officer  
Chief Financial Officer  
Major Gifts Officer

As not all foundations use these exact titles, there is flexibility in assigning these membership slots.
