

# Empower board effectiveness.

College, university, and foundation board members are indispensable, strategic partners with institutions to fulfill their unique commitments to society, advance student success and well-being, and enhance institutional vitality.

The Association of Governing Boards of Universities and Colleges (AGB) empowers college, university, and foundation boards and board members to govern with knowledge and confidence, providing guidance and thought leadership through expert services and resources.

## AGB MEMBER BENEFITS

### Govern effectively with member-exclusive resources.

- Access all the insights and tools in the **AGB Knowledge Center**.
- Receive the bimonthly print edition of **Trusteeship magazine**, with online access to all back issues.
