

BRING YOUR BOARD INTO FOCUS.

Prepare for complex challenges.

Governing boards are entrusted with the vitality of their institutions and the future success of students. Board development workshops help board members face escalating challenges in fulfilling their responsibilities as the complexity of governance accelerates.

Board Development Workshops

AGB

AGB's consultants work with board members, executives, and board professionals to help boards enhance performance, build cohesion, navigate challenges, and capitalize on opportunities.

While the location and duration vary, each workshop typically is held during a board meeting or retreat. Workshops are being conducted virtually at this time.
