

STRENGTHEN YOUR BOARD.

AGB Consulting helps boards maximize governance effectiveness.

It has never been more essential for institutional and foundation boards to govern decisively and strategically. Sound governance and efficient processes enable boards to operate effectively as they confront complex, evolving challenges.

Governance Services

AGB Consulting helps strengthen board governance with these services:

- | | |
|--|--|
| <ul style="list-style-type: none">• Board Assessments• Presidential Assessments• Comprehensive Governance Analyses | <ul style="list-style-type: none">• Public Higher Education Practices & Policies• Custom Workshops on Leading Practices• Coaching for New Leadership |
|--|--|

Our advisors help you assess strengths and areas of opportunity, understand and implement leading practices, benchmark current processes, prioritize areas for improvement, and develop plans for achieving your goals. They also work with new leaders to help them bring their best to the boardroom.

Govern with confidence.
