

# PRIORITIZE. PLAN. RESPOND. RECOVER.

AGB helps institutions and foundations build strategic boards.

**The operating environment for higher education was already complex.** But now, with acute contingencies emerging almost every day, functioning as a strategic board is even more critical. What must boards do to effectively lead response and recovery? And how should they prepare now for the unprecedented disruptions that are coming next?

AGB Consulting helps boards to:

## Navigate Contingencies

- Risk Management
- Crisis Management
- Response Coordination

## Ensure Long-Term Viability

- Revenue Growth & Diversification
- Enrollment Management
- Affiliations, Mergers & Revenue Generating Partnerships
- Endowment Stress Testing

Get started with a complimentary Governance Needs Review. Then determine the best ways to meet your goals, such as arranging a custom, facilitated workshop or engaging a dedicated AGB advisor to work side by side with your chair and president.

## Keep strengthening your board.

Learn how AGB Consulting can help your board weather immediate crises and lead your institution or foundation toward a more certain future.
