

AGB LOGOS

Logo Tagline

Use the tagline logo on proposals, the title page of presentations, brochures, mailers, pocket folders, etc. Please do not use the logo with tagline on AGB publications.

Logo Tagline–Vertical

Use the tagline vertical logo on advertisements, postcards, and other assets where space is limited. Please do not use the tagline vertical logo in digital banners (use the logo-only logo below).

Logo Tagline–Full Name

Use the full-name logo on legal, regulatory, and compliance documents that require the name to be spelled out. Please do not use the full-name logo on communications, publications, or other content intended for members.

Logo Only

Use the logo-only logo in situations where space is extremely limited (such as in banners or web page headers) or where you need to avoid repetitious instances of the tagline (such as on the non-title pages of a presentation deck or a form).
