AGB Continuing Education for Virginia Board of Visitors Members

AGB provides trustee training opportunities that fulfill State Council of Higher Education for Virginia (SCHEV) requirements for continuing education. Code of Virginia **§23.1-1304.A** went into effect on July 1, 2020, per the passing of HB 611, and applies to all public institutions in Virginia. Each institution must document and submit annual proof of compliance.

FORMAT

Two-hour education session delivered to your board virtually or in person

STRUCTURE

- Up to two suggested pre-read items
- A 90-minute facilitated education session with a 30-minute interactive discussion

TOPICS COVERED

- Leading practices of effective public governing boards
- Unique differences between higher education governing board service and for-profit board service
- Roles and responsibilities of public board members

CUSTOMIZED TOPICS

Customized topics can be developed to support the unique requirements of each board.

INVESTMENT

AGB offers special pricing for Virginia public institutions.

If the session is delivered in person, travel expenses are additional.

AGB CONSULTANTS

As experienced board members, presidents, CEOs, and subject matter experts, our consultants are intimately familiar with higher education trends, the administration and operation of institutions and foundations, and the dynamics of the boardroom. Our team understands the critical importance of aligning the board, the president or CEO, and the cabinet in deciding where to focus and how to pursue transformation. We will match a consultant with relevant experience to your type of institution, market, size, and goals.

AGB advisors facilitate 175+ engagements per year.

> **Our AGB engagement with 100 percent board and cabinet attendance created an inclusive environment for sharing, questioning, and realizing from where we've come, what we've yet to learn, and how we must sustain this journey.**
