

PROMOTE STRATEGIC BOARD PERFORMANCE

Take the first step with an AGB Board Assessment.

AGB Board Assessments rely on leading practices and collaboration to uncover the information that identifies strengths and leads to stronger working relationships. From standardized self-service tools to highly customized comprehensive engagements, AGB board assessments equip you with a foundation for long-term success.

Assessment Options for Your Board

Included in AGB membership

BASIC BOARD SELF-ASSESSMENT TOOL

Recommended annually, this easily accessible self-service tool on AGB's digital platform helps evaluate relative board performance and determine priorities for board development. Members can review the findings virtually with AGB Consulting as part of their One-Hour Governance Consultation.

CLASSIC BOARD ASSESSMENT SERVICE

Recommended at least every 3–5 years, this assessment provides an opportunity for members to work with an AGB consultant to gain understanding of their board's performance and actionable insights. AGB will review the initial findings with you and deliver analysis and recommendations to your full board.

PREMIUM BOARD ASSESSMENT SERVICE

Recommended during periods of change or transition, or at least every 8–10 years, this assessment delivers a deep understanding of performance, impact, and areas for optimization. It includes individual interviews and analysis and recommendations delivered to your full board.
