- **The AGB Board Bot** is a chatbot trained on curated AGB governance resources. It leverages artificial intelligence to deliver instant guidance pulled from AGB’s trusted content, including books, reports, statements, *Trusteeship* magazine articles, and more.

Here are some questions and prompts to consider:

- How can a university diversify revenue to not rely as much on tuition? ▶
- Should the CEO of the foundation have voting rights on the board? ▶
- What are ways to avoid conflict between opposing campus groups? ▶
- Create a template for meeting minutes. ▶
